I'll give this to you, but don't tell anybody
Okay?

But we can't be together now.

I decided then to be with that kind guy for the rest of my life

We don't know it for certain
If he was only wounded, they wouldn't talk to anybody about it
No
They hit us first

Wait.
Why can't we?
Because Youta is a murderer

When you talk like that, I really feel like I killed him.
He clearly died.
He will not come out for 30 years.
He'll leave me again...
I don't want it!
Maybe
Did I really kill him?
You'll be in prison, and won't be able to come out.

I'll turn myself in
Do you know why I stopped being in the group?
I didn't want you hurt.
I wanted to feel relieved and be with you together
So don't talk about dying with a face like that

I'll come back to you
You just wait

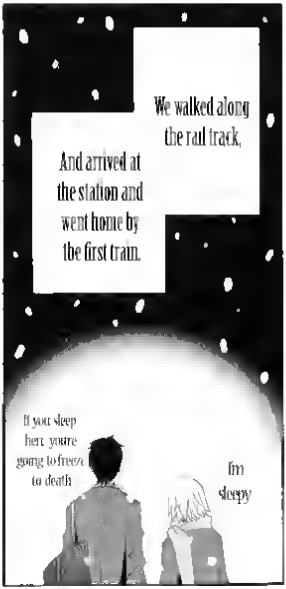
You bastard!

He had to be hospitalized for four weeks.
Do you know how annoying that was?
You made me clean things up after the fight
Tsugaru... It's somewhere around Chiba

Thank me.
I made sure that nobody talked about this!
He had to be stitched 11 times. We paid for the hospital bill.

That night,
Is it the police?
Did the police come?

There was one more legend to Youla.



We walked along the rail track,
And arrived at the station and went home by the first train.
If you sleep here, you're going to freeze to death
I'm sleepy

There are now more groups who are trying to recruit Youla after hearing the new stories.
